EACCME

European Accreditation Council for Continuing Medical Education

Certificate

Sepsis: clinical presentation, early signs and patients at risk

Brussels, Belgium, 16/06/2022-16/06/2022

has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®)
for a maximum of **1** European CME credits (ECMEC®s)

Each medical specialist should claim only those credits that he/she actually spent in the educational activity

The EACCME® is an institution of the European Union of Medical Specialists (UEMS), www.uems.eu
Through an agreement between the European Union of Medical Specialists and the American Medical Association,
physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the
process to convert EACCME® credits to AMA credits can be found at www.ama-assn.org/education/earn-credit-participation-international-activities.

Live educational activities occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC® credits are deemed
to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal
College of Physicians and Surgeons of Canada.

Shalala Hasanli

has been awarded **1** European CME Credits (ECMEC®s)
for his/her attendance at this event

C19_SPACE Self-paced learning

(ID: 2022-EPN-189-000-000)

Shalala Hasanli

has been awarded **24 CME Credits** for the completion
of the C19_SPACE Self-paced Learning programme
on December 8th, 2022

C19_SPACE Self-paced learning has been accredited by EBAC® (European Board for Accreditation of Continuing Education for Health Professionals) for inter-professional Continuing Education for a maximum of 24 CME credits. EBAC® (European Board for Accreditation of Continuing Education for Health Professionals) endorses, and accredits according to, the International Academy for CPD Accreditation (IACPDA) "Standards for Substantive Equivalency between CME/CPD Accreditation Systems".

EBAC® awards CE credits according to a time-based system (i.e. one CE credit per hour of education), for more information please refer to the EBAC® document "EBAC® CE credit-point system" (<http://www.ebac-cme.org/wp-content/uploads/2022/03/EBAC-CE-Credit-Point-System-1-2022.pdf>). Numbers of CE credits, as issued on EBAC® certificates of attendance, may need to be adjusted according to applicable national regulations. The US Accreditation Council for Continuing Medical Education (ACCME®) and EBAC hold an agreement on mutual recognition of substantive equivalency of accreditation systems.

Through an agreement between the European Board for Accreditation of Continuing Education for Health Professionals and the American Medical Association, physicians may convert EBAC External CME credits to AMA PRA Category 1 Credits™. Information on the process to convert EBAC credit to AMA credit can be found on the AMA website.

Other health care professionals may obtain from the AMA a certificate of having participated in an activity eligible for conversion of credit to AMA PRA Category 1 Credit™.

The Royal College of Physicians and Surgeons of Canada and EBAC hold an agreement on mutual recognition of substantive equivalency, and CME credit conversion.

C19_SPACE learning programme in English has been commissioned and funded by the European Union.

The translation of all training modules related to the C19_SPACE Training in the Arabic, Chinese, Russian, Spanish and French languages has been commissioned and paid for by the World Health Organization (WHO).
